Wilson Electric Co, Inc dba Encompass Invoice #58515-, \$29,813.17

Dear Sir or Madam:

We would like to like to formally appeal the SLD determination to refuse our extension request for payment of the above mentioned billing.

The attached USAC letter of denial states "In accordance with the FCC Report and Order (FCC-01-195) released on June 29, 2001, the Administrator may grant an extension of time for the implementation of non-recurring services if the implementation delayed or circumstances beyond the service provider's control."

Our basis for asking you to grant our extension request is due to the fact that our supplier delayed in providing us materials to begin work on this project. We did eventually receive the materials to begin work and started work on August 21, 2002, but the delay caused us not to complete work until October 29, 2002, past the deadline of September 14, 2002. We made every effort to correct the problem/delay, but it was simply out of our control.

Your review of this appeal is greatly appreciated. Please contact us at any time, should you have any questions or need any further documentation.

Sincerely,
Wilson Electric dba Encompass

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your implementation extension request. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission ("FCC").
